*Stocked colors listed. See product pages on our website or in our catalog for special order colors.

Important Notes:

**The variable pattern of Old World and Weathered Ridge Stone should be laid at a 2-(6x6) to 1-(3x6) ratio to AVOID left over material. They can only be returned with all sizes present on a layer (36-(6x6) and 18-(3x6)) and in FULL layers only.

***Each Circle Stone Pak contains enough of each size block (small circle, large circle and 3/4 stone) to make up to a 7 foot diameter circle, or approximately 38.47 square feet. When doing larger circles, you will have leftover pieces.

All pavers are produced to +/- 2 3/8" thick. All measurements are approximate.
